Disclaimer: Common Area Vehicle Decals are for residents and their vehicles registered to the address listed within North Springs ONLY.

Any display of decals on vehicles not registered with the corresponding license plate, or moved to vehicles not registered to your home within the neighborhood, may be grounds for restricting use of common area properties for your household and prospective guests. Guest tags must be displayed from the rear view mirror and a resident must be with guests at all times. Vehicles that are parked illegally or are not displaying a valid decal or guest pass will be towed at the expense of the vehicle owner.
